# Information furnished in conformity with the Convention on Registration of Objects Launched into Outer Space

## Note verbale dated 23 December 1998 from the Permanent Mission of Argentina to the United Nations (Vienna) addressed to the Secretary-General

The Permanent Mission of Argentina to the United Nations (Vienna) presents its compliments to the Secretary-General of the United Nations and, in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space,[1] has the honour to submit information concerning the launch of satellite SAC-A (see annex). The information on the satellite is included in the register established by the Comisión Nacional de Actividades Espaciales (CONAE) under decree 125/95.

[1] General Assembly resolution 3235 (XXIX), annex, of 12 November 1974
